REVIEW WILMINGTON MARKETS WEEK ENDING THURSDAY. June 8, 1871.

TURPENTINE-During the week just ended the market has ruled steady, and former prices have North, Alabama, Mobile and Obio, and Mobile been fully sustained for virgin. Yellow dip has declined 10 cents. The receipts and sales for the week are as follows:

the week just ended the market ruled quiet, with declining tendency till Monday, when it reach ed 42 cents. Since that time it has been firm, and all offering has been taken for export. The sales for the week just ended are as follows: Friday413 casks at 43 cents # gallon-

week have been very small, and none has

holders refuse to sell, holding for higher figures.

To-day (Thursday) there were sales of a small ot at \$2 30 in water, and \$2 40 in order. Corrox-Since the close of our last review there has been a firmer feeling in the market, and under favorable advices from abroad prices have improved during the weer. Owing to the FERT LIZERS-The supply of nearly all descrip-

tions is very good, and we note a fair business doing from store at the following quotations: Peru vian Guano, (Chincha Island,) \$75@\$77 t0; do. do., Gusnope \$70; Carolina Fertilizer \$50; Wileox, Gibbs & Co's Manipulated Guano \$63 Ooe's Superphosphate of Lime, \$60; Baugh's Raw Bone Phosphate, \$60; Lister Bros. Super-phosphate of Lime \$65; Whann's Raw Bone Superphosphate, \$52; Lodi Manufacturing Co. Pure Bone \$48; do do double refined Poudrette \$30;

to get your system all right; then find a Rosin.-The market since the close of our last review has ruled firm for strained, and the reseipts, as they arrived, have been readily taken. The finer grades up to Saturday were dull and showed symptoms of a decline. Buyers then went in and relieved the market, and last week's prices have been maintaided, the market closing very firm for strained, and steady docks, the burdocks, the mullens, the thistles, the weeds, the roots—the whole vegetable kingdom. I fight the heat, the frost, the rain, the hail—in short, I fight the universe, and get whipped in every battle.

I have no more admiration to waste on the father of George Washington for forgiving the destruction of his cherry tree.
